Dear CLARE MARTIN:

Your application seeking registration to operate in interstate commerce within the U.S. has been approved. You must contact your local Federal Motor Carrier Safety Administration (FMCSA) Division office (518-431-4145) within 90 days of the date of this letter to schedule a Safety Audit.

Failure to contact your local Federal Motor Carrier Safety Administration (FMCSA) Division office within 90 days of the date of this letter will be considered a failure to permit a Safety Audit under section 385.337. In accordance with 49 CFR 385.337, failure to permit a Safety Audit to be performed on your operations may result in the revocation of your registration and/or the penalty provisions in 49. U.S.C. 521(b)(2)(A).

The purpose of the Safety Audit is to provide you with educational and technical assistance and to gather safety data needed to make an assessment of your safety performance and adequacy of your basic safety management controls. The auditor will review a sample of your safety management systems and a sample of required records to assess compliance with the Federal Motor Carrier Safety Regulations (FMCSRs), applicable Hazardous Materials Regulations (HNRs) and related record-keeping requirements specified in Appendix A of Part 385 of Title 49 of the Code of Federal Regulations (49 CFR Part 385). Upon completion of the audit, the auditor will review the findings with you. This discussion will be followed up within 45 days with an official letter from the agency advising you whether FMCSA has determined that you have adequate basic safety management controls.

In addition to the audit, FMCSA will continue to evaluate your safety management practices and monitor your on-road performance for 18 months prior to granting you permanent registration. You must maintain adequate safety standards and comply with the FMCSRs and applicable HMRs in order to continue operating in interstate commerce during and after this 18-month period. Failure to comply with these requirements may result in the revocation of your New Entrant or permanent registration authority.

Your USDOT number, and your personal identification number (PIN) which can be used to update your company registration data on-line can be found in the upper right hand corner of this letter. Electronic updates can be made on the FMCSA Registration website, http://safer.fmcsa.dot.gov.

You can also contact PMCSA's technical support at 1-800-832-5660 for a blank copy of the MCS-150 form.

The USDOT number should be marked on your commercial motor vehicles as required by section 390.21 of the FMCSRs. A copy of this regulation is enclosed.

If you have any questions, need additional information or receive more than one of these letters referencing different USDOT numbers, please contact FMCSA's technical support at 1-800-832-5660 or your local FMCSA Division office at:
